MUHAMMAD FAISAL

Software Developer

Phone: 0348 719 6045
Email: sefaisal17@gmail.com

SUMMARY

A dedicated and motivated full-stack web developer with expertise in the MERN stack. Skilled in building responsive, user-friendly web applications using technologies like React, Node.js, MongoDB, and Express. I have a strong focus on clean, efficient code and a passion for learning new technologies. Eager to contribute to innovative projects, solve complex problems, and collaborate in dynamic development environments.

SKILL SET

Front-End Development:
- **Languages:** HTML5, CSS3, JavaScript (ES6+), TypeScript
- **Frameworks & Libraries:** React.js, Next.js, Redux, Tailwind CSS, Bootstrap
- **Responsive Design:** Expertise in developing cross-browser and mobile-responsive websites
- **UI/UX Tools:** Figma, Adobe XD, Framer

Back-End Development:
- **Languages & Frameworks:** Node.js, Express.js
- **APIs:** RESTful APIs, GraphQL
- **Authentication:** JWT, OAuth2, Session-based authentication
- **Web Security:** Secure coding practices, basic security principles like XSS and CSRF prevention

Databases & Data Management:
- **NoSQL:** MongoDB, Firebase
- **SQL:** MySQL, PostgreSQL
- **Database Management:** Mongoose, Knex.js, SQLAlchemy
- **Caching:** Redis, Memcached

Version Control & Deployment:
- **Version Control:** Git, GitHub, GitLab
- **CI/CD Tools:** Jenkins, GitHub Actions, Docker
- **Cloud & Hosting:** AWS (EC2, S3), Heroku, Netlify, Vercel

Other Technologies:
- **Testing:** Jest, Mocha, Chai, Cypress for unit and integration testing
- **Package Managers:** npm, Yarn
- **Build Tools:** Webpack, Babel, Gulp
- **Task Runners:** PM2, Nginx for process management

SOFT SKILLS

- **Problem Solving:** Ability to break down complex challenges and develop effective solutions.
- **Communication:** Strong written and verbal communication skills for collaborating with clients and team members.
- **Time Management:** Skilled at managing tasks and deadlines effectively in fast-paced environments.
- **Team Collaboration:** Experience working on projects collaboratively, sharing ideas, and resolving conflicts.
- **Adaptability:** Quick to learn new technologies and tools, adjusting to the requirements of different projects.
- **Attention to Detail:** Focused on writing clean, optimized code with attention to user experience and performance.

ADDITIONAL INFORMATION

- **Languages:** English, Urdu, Pashto
- **Availability:** Open to remote work and full-time opportunities
- **Learning:** Actively enhancing skills in advanced web technologies such as TypeScript and AWS
- **Interests:** Passionate about staying updated with the latest web development trends and open-source contributions
- **Personal Projects:** Continuously working on personal web development projects to refine skills and explore new frameworks
- **Disability:** Living with Myopathy, using a wheelchair since the age of 14, but fully capable of handling software development tasks independently.
